

CCSBT-EC/0810/17

Relationship with Non-members

Purpose

To discuss the situation with countries who are not Cooperating Non-members.

Discussion

During the course of 2008, contact has been made with only one non-member, Belize.

The International Merchant Marine Registry of Belize (IMMARB) wrote to the CCSBT in January 2008 seeking advice on CCSBT decisions relating to transshipments of SBT. Previously, in 2006, IMMARB also contacted the Secretariat seeking advice on becoming a Cooperating Non-member

A copy of the Extended Commission's resolution on transshipment was provided to the Registry.
