EXTENDED SCIENTIFIC COMMITTEE**

And

**RULES OF PROCEDURE OF THE EXTENDED COMMISSION FOR THE
CONSERVATION OF SOUTHERN BLUEFIN TUNA**

*adopted at the Seventh Annual Meeting (18 – 21 April 2001),
revised at the Tenth Annual Meeting (7 – 10 October 2003)
and replaced at the Twentieth Annual Meeting (14 – 17 October 2013)*

RESOLUTION TO ESTABLISH AN EXTENDED COMMISSION AND AN EXTENDED SCIENTIFIC COMMITTEE

The Commission for the Conservation of Southern Bluefin Tuna (the Commission):

RECOGNISING that ensuring the sustainability of the Southern Bluefin Tuna (SBT) stock requires that all those States, regional economic integration organisations and entities or fishing entities fishing this species work together through the Commission;

CONSIDERING that continued fishing for SBT by States, regional economic integration organisations and entities or fishing entities not adhering to the Commission's conservation and management measures substantially diminishes the effectiveness of those measures;

RECOGNISING the continuing need to encourage all States eligible to accede to the Convention for the Conservation of Southern Bluefin Tuna (the Convention) to do so, and to encourage regional economic integration organisations and entities or fishing entities with vessels fishing for SBT to implement the Commission's conservation and management measures;

Decides as follows:

1. Acting under Articles 8.3(b) and 15.4 of the Convention, the Commission hereby establishes an Extended Commission for the Conservation of Southern Bluefin Tuna (the Extended Commission) and an Extended Scientific Committee, whose Members shall be comprised of the Parties to the Convention and any regional economic integration organisation, entity or fishing entity, vessels flagged to which¹ have caught SBT at any time in the previous three calendar years, that is admitted to membership by the Extended Commission pursuant to this Resolution.
2. The Extended Commission and the Extended Scientific Committee shall perform the same tasks as the Commission and the Scientific Committee including, but not limited to, deciding upon a total allowable catch and its allocation among the Members. All Members shall have equal voting rights. A regional economic integration organisation that is a Member shall have one vote and its member States shall have no right to vote in the Extended Commission². The provisions of the Convention relating to the Commission and the Scientific Committee (Articles 6 to 9, except for 6.9 and 6.10) shall apply *mutatis mutandis* with regard to the Extended Commission and the Extended Scientific Committee. Any dispute concerning the interpretation or implementation of this Resolution, including the articles of the Convention specified in the Resolution, or the Exchange of Letters referred to in paragraph 6, shall be resolved by negotiation, inquiry, mediation, conciliation, arbitration or other peaceful means agreed by the parties to the dispute.
3. The Secretariat of the Commission shall function as the Secretariat of the Extended Commission.

¹ Including vessels flagged to a State that is a Member of the regional economic integration organisation.

² This lack of voting right in the Extended Commission does not apply to a member State of a regional economic integration organisation that becomes a Member of the Commission in representation of one of its territories that is not part of the regional economic integration organisation.

4. The Extended Commission shall report forthwith to the Commission if the latter is in session, and in any other case before the latter's next meeting or session of a meeting, all decisions it adopts. Decisions so reported shall become decisions of the Commission at the end of the session of the meeting to which they were reported, unless the Commission decides to the contrary. Any decision of the Commission that affects the operation of the Extended Commission or the rights, obligations or status of any individual Member within the Extended Commission should not be taken without prior due deliberation of that issue by the Extended Commission.

5. The Rules of Procedure for the Extended Commission shall be as annexed to this Resolution. Any revision to the Rules shall be made by the Extended Commission.

6. Any regional economic integration organisation, entity or fishing entity, vessels flagged to which¹ have caught SBT at any time in the previous three calendar years, may express its willingness to the Executive Secretary of the Commission to become a member of the Extended Commission. The Executive Secretary of the Commission, on behalf of the Commission, will conduct an Exchange of Letters with the representative of such regional economic integration organisation, entity or fishing entity to this effect. In so doing, the applicant shall give the Commission its firm commitment to respect the terms of the Convention and comply with such decisions of the Extended Commission as become decisions of the Commission pursuant to paragraph 4.

7. In deciding whether to admit an applicant, the Extended Commission shall evaluate the commitment provided by the applicant at paragraph 6 together with the applicant's record of compliance with decisions of the Extended Commission.

8. If the Extended Commission decides to admit the applicant, it shall negotiate with the applicant a formula to govern the level of catch of SBT by the applicant pending the next decision of the Commission setting a total allowable catch and its allocation among the Members. Upon the successful completion of the negotiations referred to in the previous sentence, the Executive Secretary will exchange letters with the applicant as referred to in paragraph 6; the applicant shall thereupon assume the status of Member of the Extended Commission.

9. Any Member of the Extended Commission that is not a Member of the Commission shall be entitled to appoint one representative, to be accompanied by experts and advisers, as an Observer to meetings of the Commission and its subsidiary bodies, including the Scientific Committee. Such representative shall be entitled to be present and speak as an Observer at meetings of the Commission and its subsidiary bodies.

10. The Extended Commission shall decide upon an annual budget. The contributions to the budget of an applicant that is admitted as its Member shall be determined by application *mutatis mutandis* of Article 11 of the Convention.

11. The provisions of this Resolution relating to participation by regional economic integration organisations and entities or fishing entities in the operations of the Extended Commission are solely for the purposes of the Convention.

12. For the purposes of this Resolution, 'regional economic integration organisation' means a regional economic integration organisation to which its member States have transferred competence over matters covered by the Convention, including the authority to make decisions binding on its member States in respect of those matters.

13. This Resolution replaces the Resolution to Establish an Extended Commission and an Extended Scientific Committee of 20 April 2001 (the 2001 Resolution), which is hereby repealed. Any entity or fishing entity admitted as a Member through an Exchange of Letters under the 2001 Resolution shall continue as a Member of the Extended Commission under this Resolution.
