

CCSBT-EC/2510/10

**Report from the Compliance Committee
(EC agenda item 6)**

Purpose

To consider the report and recommendations of the Compliance Committee.

Background

The independent Chair of the Compliance Committee will present the report of the Compliance Committee's meeting, which is to be held from 2-4 October 2025.

The Compliance Committee will be considering a wide variety of matters, including:

- Reports from the Secretariat and Members on compliance related matters and an assessment of Members' compliance with CCSBT management measures.
- Needs assessment as part of the Capacity Building Workplan
- An update to the CCSBT Compliance Plan.
- A review of Compliance Policy Guideline on Corrective Actions (CPG 3).
- Reports on any updates or problems with the operation of CCSBT's measures.
- Review of the report from the Quality Assurance Review (QAR) on the Indonesian at-sea transshipment national observer trial.
- Discussion on updating CDS Resolution toward the implementation of eCDS.
- Update on the project to enhance the implementation of seabird mitigation measures.
- The Compliance Committee's work program for 2026.

Recommendations may be made on these matters, which will require the attention of the Extended Commission.
