# Report from the Compliance Committee
# (EC agenda item 6)

## Purpose

To consider the report and recommendations of the Compliance Committee.

## Background

The independent Chair of the Compliance Committee will present the report of the Compliance Committee's meeting, which is to be held from 1 - 3 October 2026.

The Compliance Committee will be considering a wide variety of matters, including:

- Reports from the Secretariat and Members on compliance related matters and an assessment of Members' compliance with CCSBT management measures.
- Needs assessment as part of the Capacity Building Workplan
- A review of progress on 2026 action items and discussion on activities planned in 2027 in the CCSBT Compliance Plan.
- Review Indonesia's implementation of its payback and management plans, including the progress on its detailed plan and implementation timeline for improving artisanal SBT catch reporting and REEF-CMF alignment.
- Review the operation of Indonesia's trial at-sea transhipment programme and progress in implementing its detailed plan and timeline to address the key recommendations from the QAR completed in 2025.
- A review of the progress on South Africa's Corrective Action Plan.
- Reports on any updates or problems with the operation of CCSBT's measures.
- Discussion on final preparation for formal implementation of eCDS from 1 April 2027.
- Updating the report from the CC on the progress against Strategic Plan.
- The Compliance Committee's work program for 2027.

Recommendations may be made on these matters, which will require the attention of the Extended Commission.
