- Consideration of COVID-19 related issues.
- Consideration of any actions required under the Corrective Actions Policy.
- A review of progress on 2020 Workplan items.
- Reports on any updates or problems with the operation of CCSBT's measures.
- Implementation of the CCSBT's Compliance Plan, including:
 - Outcomes of intersessional discussion on a potential formalised compliance assessment process and possible recommendations concerning the Quality Assurance Review (QAR) program.
 - Standing items for which updated information is available.
- Consideration of CCSBT Plans, Policies and Arrangements, including:
 - Review of compliance risk and consideration of a Compliance Action Plan for 2021 to 2025, which have been discussed intersessionally.
 - Update on CCSBT's compliance relationships with other organisations.
- Progress with the On-line Data Submission/ Data Access Project and development of a trial eCDS.
- Progress with a proposal to enhance the implementation of seabird mitigation measures.
- The Compliance Committee's work program for 2021.

Recommendations may be made on these matters, which will require the attention of the Extended Commission.
