

CCSBT-EC/0910/08

REPORT FROM THE COMPLIANCE COMMITTEE

Purpose

To consider the report of the Compliance Committee.

Discussion

The report from the Compliance Committee will consider:

- Reports from the Secretariat and Members on compliance matters.
- Integrated MCS measures, and in particular, progress in implementing the CCSBT CDS, VMS and Transshipment measures.
- Progress in relation to other measures.
- The Chair for the next Compliance Committee meeting.

Recommendations may be made on these matters, which will require the attention of the Extended Commission.

Recommendations in relation to the integrated MCS system or its component parts will be discussed in agenda item 6.
