

## Check list of items provided in member's annual reports to ERSWG7 Meeting Paper 04

	Australia	Korea	Taiwan	New Zealand	Japan
<b>1. Introduction</b>	Yes	Yes	Yes	Yes	Yes
<b>2. Review of SBT Fisheries</b>	Yes	Yes	Yes	Yes	Yes
<b>3. Fisheries Monitoring for Each Fleet</b>	Yes	Yes	Yes	Yes	Yes
<b>4. Seabird</b>	Yes	Yes	Yes	Yes	Yes
<b>5. Other Non-target Fish</b>	Yes	Yes	Yes	Yes	Yes
<b>6. Marine Mammal and Marine Reptile</b>	Yes	Yes	Yes	Yes	Yes
<b>7. Mitigation Measures</b> <u>Current Measures</u> <i>Mandatory Measures for Each Fleet</i> * Description of each measure	Mandatory reporting of interactions reporting within 7 days, Five measures mandatory south of 25degrees south, Three measures mandatory north of 25 degrees north	No	Tori lines	Tori lines	Tori lines
* Compliance Monitoring System	Sea patrols, aerial patrols, port monitoring, reconciliation of log books, daily reporting of position and catch in real time	Not provided	Not provided	Not provided	Patrol vessels and observers
*Level of Compliance for each measure	Varied results reported	Not provided	Not provided	Not provided	Not provided
<u>Voluntary Measures for Each Fleet</u> * Description of each measure	Five other mitigation techniques, codes of practise	Tori lines	Code of Practise in 2006 Seabirds Sharks	Eight methods in a Code of Practise that applies to some operations	NPA requires four methods
*Proportion of fleet using each measure and how this proportion was determined	Not available	Not provided	Not provided	Not provided	
<u>Measures under Development/Testing</u> *Description of each measure being developed and tested	Five new mitigation techniques in table form	Under 9 description of C and J hooks	Not provided	Two techniques being investigated	Research vessel has tested several methods and made cost effectiveness studies. Turtle mitigation research reported
*Lead agency undertaking research	AAD, AFMA and BRS	Not provided	Not provided	Not provided	FRA
*Description of any collaboration	Collaborations described in tabular form (5)	Not provided	Not provided	Not provided	Collaboration with 2 groups working on turtles reported
*Results to date	Results for 3 reported	Not provided	Not provided	Not provided	Not provided

*Planned development/testing for next year	Described for 5 in tabular form	Not provided	Not provided	Not provided	Not provided
*Expected completion date and report to ERSWG	2008 (1) 2007 (3) and ongoing	Not provided	Not provided	Not provided	Not provided
<b>8. Public Relations and Education Activities</b>					
<u>Public Relations Activities</u>					
*media releases	Media releases (2) Seaweek,	Not provided	Not provided	Not provided	Not provided
*information booklets, posters, other written material	Yes	Yes	Yes	Not provided	Yes
*video	Yes	Not provided	Not provided	Not provided	Yes
*public presentations	Seaweek	Not provided	Not provided	Not provided	Yes
<u>Education</u>					
*crew training, especially ship masters	Yes	8 sessions held	Wildbird Federation education program	2006 workshop	Seminars
*trainee fishers	Not applicable	Not provided	Not provided	Not provided	Not provided
*engineers	Not applicable	Not provided	Not provided	Not provided	Not provided
*managers	On job training	Not provided	Not provided	Not provided	Not provided
*observers	Briefed	Not provided	Not provided	Not provided	Yes
<u>Information Exchange</u>					
*research	Yes	Not provided	Not provided	Not provided	
*educational materials	Yes	Not provided	Not provided	Not provided	
*other regional fisheries organisations	Yes	Not provided	Not provided	Not provided	
*international organisations	Yes	Not provided	Not provided	Not provided	
*non-member states and entities	Yes	Not provided	Not provided	Not provided	
*review of new ideas obtained from crew debriefings or ship fishing reports.	Yes	Not provided	Not provided	Not provided	
<b>9. Information on other ERS (non-bycatch) such as prey and predator species</b>	ERACF process	See 7	Not provided	Observer collected stomach contents studies	Research described
<b>10. Others</b>	Not applicable	Not provided	Not provided	Not applicable	No information
<b>NZ recommends two new items 11. IPOA Seabirds and 12. IPOA Sharks NZ provided NPOF report in this section</b>					
<b>11 Summaries of Country reports</b>	Yes (6)	Not provided	Not provided	Yes (8)	Not provided
